# Signature's Advantage

---

CONTACT – NEILL LAURENSEN

E- [neill@signaturesystems.co.nz](mailto:neill@signaturesystems.co.nz)

T - +64 220373117

- Signature is the only manufacturer with a complete line of composite matting systems for any size project and any type of event, anywhere in the world
- No matter what type of matting you need, we can provide a solution
- Unmatched customer and product support

## DuraDeck Benefits

---

- DuraDeck is extremely durable and distributes weights over large areas
- DuraDeck is an environmentally friendly alternative to plywood
- DuraDeck will last years and not absorb water and chemicals
- DuraDeck is lightweight and can be carried by two people

# Technical Features

CONTACT – NEILL LAURENSEN

E- [neill@signaturesystems.co.nz](mailto:neill@signaturesystems.co.nz)

T - +64 220373117

- High-Density Polyethylene (HDPE)
- Connects either by links for short-term installations or plates for heavier long-term installations
- Dual sided with optional different tread patterns
- Recyclable after mats are decommissioned
- 30 mats per shipping pallet

# Installation

- DuraDeck can be installed using either connection links or simply laid side by side
- Links can be installed without the use of tools
- DuraDeck can be installed and moved by two people without the use of machinery

# Better Than Wood

---

CONTACT – NEILL LAURENSEN

E- [neill@signaturesystems.co.nz](mailto:neill@signaturesystems.co.nz)

T - +64 220373117

## Signature's Composite Mats:

- Are lighter than wood mats and steel mats
- Have a much longer working life
- An environmentally friendly alternative
- Transport easier
- Do not absorb contaminants and liquids
- Can be cleaned and decontaminated
- Incorporate an aggressive traction surface

# Best Technical and Support Team

CONTACT – NEILL LAURENSEN

E- [neill@signaturesystems.co.nz](mailto:neill@signaturesystems.co.nz)

T - +64 220373117

- Signature's team provides extensive support in the field
- We offer the best customer and product support
- We will train your personnel on installation practices and safety procedures
